KATHRYN VIZAS

EARLY DETECTION AND TREATMENT OF CERVICAL CANCER IN INDIA

Kathryn is an attorney and advocate with a successful career in law spanning more than two decades as general counsel at Peregrine Systems, chief litigation attorney for a \$2 billion division of Raychem, and at Levi Strauss & Co. She was a Rotary International Fellow at the University of St. Andrews in Scotland and later graduated from the University of Pennsylvania Law School. She serves on numerous nonprofit boards including the International Center for Social Franchising, Ipas and TogetHer for Health.

Kathryn is also a member of the secretariat for the International Zinc Nutrition Consultative Group, an initiative to promote and assist efforts to reduce maternal and child zinc deficiency worldwide through advocacy, information dissemination, technical assistance, and research support. She serves on the advisory board at the Human Trafficking Pro Bono Legal Center. Kathryn graduated with a degree in Biology from Bucknell University. She lives with her husband in Berkeley, California.
